As you may already know, Chicago Police Officer Harold Rodriguez, Star# 17679, 10th District has been charged with Bribery and Official Misconduct. MIS has conducted a search of CRIMES to determine whether Officer Rodriguez is a witness on any pending felony cases. The results of that search have been forwarded to you. If your unit does not have a computer case management system, please have your ASAs check their files and see whether they have any cases on their call where Officer Rodriguez is a witness on a pending case. If he is a witness on the case please determine whether the case can be proved without calling him as a witness. If the case cannot be proved without calling him as a witness, please nolle the case. If the case can be proved without Officer Rodriguez's testimony you should proceed on the case.

If you have a case where we cannot proceed without Rodriguez's testimony and the case is a violent crime, involves death or serious bodily injury, or is a case where you or your ASAs feel that the case should go forward please contact Fabio or me prior to taking any action. Also, please have your ASAs keep track of how many of Officer Rodriguez's cases they have and how many of those cases were dismissed.

If you or your ASAs have any questions, please call me. Thank you.
